JAAKKO HINTIKKA MEMORIAL CONFERENCE: Legacy in Game-Theoretical Semantics and Epistemic Logic

An international conference in memory of Professor Jaakko Hintikka (1929–2015). The conference focuses on two central themes of his work: game-theoretical semantics and epistemic logic.

Local organizing committee: Professor Gabriel Sandu and Tuomas Vesterinen. The conference is sponsored by the research project “IF Logic and the Philosophy of Mathematics” funded by the Academy of Finland and led by Gabriel Sandu.

Venue: Siltavuorenpenger 3 A “Athena”, room 167
